WHERE WE HAVE COME FROM...

OVER THE NEXT 5 YEARS WE HOPE TO:

- Build an indoor training facility with a 4G surface allowing us to have all our coaching and games on-site at Dean McGlinchey Pairc from Fundamentals to senior level.
- Build new changing rooms which will include female only facilities.
- Provide a gym facility that will be available to the whole community.
- Upgrade and extend car parking facilities.
- Upgrade existing toilet facilities.

With your support we are confident that these plans can become a reality, allowing future generations to benefit from all the GAA has to offer, while maintaining and developing the club's role as the hub of our community.

WHERE WE HAVE COME FROM:

For almost 90 years St Colm's GAC, Ballinascreen has through its volunteer ethos, promoted Gaelic Games culture and lifelong involvement in our community. As part of the wider GAA family we are dedicated to ensuring our games, culture and ethos enrich the lives of our members, their families and the community.

The provision of the best possible facilities will help achieve our commitment to active lifelong participation. In reaching out to, and including all members of our community, we promote individual development and well-being and strive to enable all our members to achieve their full potential in their chosen roles.

St Colm's GAC currently field teams from U7 to senior in hurling, camogie & football (male & female) as well as running a general fundamentals programme for children aged 4-6yrs. We also participate in the recreational Gaelic for Mothers and Others, as well as supporting the development of the Irish language through various cultural activities and participates annually in national events promoted by both Glór na nGael and An tOireachtas.

DEVELOPING THE YOUTH OF THE COMMUNITY:

Ways in which the young people of our community benefit from being associated with St Colm's GAC;

- Physical and mental development and well-being
- Expert coaching at all levels delivered by qualified and vetted coaches
- Development of essential life skills;
 - the importance of physical activity and exercise
 - teamwork
 - dedication and commitment
 - resilience
 - volunteerism
- Close relationship with all 4 Primary schools and St Colm's High School
- 2019 saw a very successful initiative where young people studying for exams were provided with the opportunity to combine study and recreation with supervised sessions at our club.

ACHIEVEMENTS BY CAIRDE SCREEN:

Innovation and ambition have always been a central part of our club, as our facilities and structures testify. This was reflected by the decision taken in 2010 to launch Cairde Screen which saw almost 200 members commit to regular financial contributions to the long-term development of our club and its facilities. This was one of the first such schemes launched by a club.

Cairde Screen has proved to have been a huge success and has helped fund and support a number of capital projects including:

- Fully lit walkway around perimeter of the grounds available to everyone
- Hurling wall
- New kitchen, balcony and installation of solar panels
- Pitch improvements and maintenance
- Established state of the art High Performance Centre

During this time there has also been considerable on-field success for all codes at all age groups. This is a clear illustration that Cairde Screen has been a catalyst for success in all areas of club activity.

Go raibh céad míle maith agat.
